

Education Sector Planning

26 September 2016 - 31 March 2017

(Registration deadline: 15 December 2015)

Conditions for admission

* Subject to change

To apply, please use the [Online Application Form](http://www.iiep.unesco.org) on the IIEP website (www.iiep.unesco.org), which contains complete information on the required documents, including reference letters and motivation letter, to be provided.

Entry Requirements

Applicants must meet the following requirements:

- ❖ Be between 30 and 48 years of age;
- ❖ Have a minimum of 3 years of work experience in fields related to education planning and management;
- ❖ Hold at least a bachelor's degree or an equivalent degree, preferably in a field related to education, economics, or statistics;
- ❖ Be fully proficient (read, write, and speak fluently) in either English or French;
- ❖ Possess good computer skills in MS Word and Excel software.

Female candidates will be given priority access in the case of equal admissions qualifications. Particular consideration will also be given to applications received from the least developed countries.

Application and selection procedures

All candidates must complete application forms online, but candidates from ministries and other public bodies must submit by email a letter of endorsement from their ministry or the UNESCO national commission. Candidates from non-governmental organizations and donor agencies only need an endorsement letter from their employer.

Admitted candidates are allowed to attend the programme only if the required fees have been transferred to IIEP before their arrival and their medical files have been cleared by the UNESCO medical service.

Participation costs must be provided for by the participants.

Financial information

Financial assistance and grants

IIEP is not a funding institution and cannot offer financial assistance. Candidates are encouraged to apply to appropriate institutions for fellowships or grants (their employer, including ministries, international organizations, and NGOs). These grants are generally funded from human resources development or institutional capacity development programmes sponsored by governments, international cooperation programmes, or directly through international partners such as development banks, bilateral agencies, or UN funds and programmes.

UNESCO member states may submit a request for funding from the UNESCO participation programme through the UNESCO national commission. The procedure and schedule for the submission of funding requests are available from the UNESCO web site.

Accommodation

IIEP has no accommodation facilities of its own. Upon requests received from admitted candidates, IIEP can help to arrange accommodation.

Note: The total cost of participation in the 2016-2017 ESP session is estimated at €15,600 to which return travel costs need to be added.

Funds must be deposited in IIEP's bank account at least one month before the beginning of the programme (August, 26).

** Funds could be administered by either the Participant or IIEP.

1. Amount to cover interpretation, training materials and their reproduction, as well as programme development costs. Field visits include a thematic study visit including school visit within France.
